

Mt. Brenton Power and Sail Squadron

**LADYSMITH CHRISTMAS
LIGHTS CRUISE
December 10, 2011**

**Commencing 1730 sharp, on the water off
Ladysmith (Ivy Green) Marina**

Cruise will begin at 1800 sharp

Contact boat *Sun Mariner*
Use communications channel 68

All vessels will fall in line at random behind the
lead boat *Sun Mariner* when it gives the signal

At Transfer Beach all vessels will angle in, if
possible, to give the spectators on the Beach a
“Bow On” view.

The cruise will continue until just past Boulder
Point, where it is hoped to meet up with the *MV
Kuper* (the Chemainus ferry - the carol ship), and
then turn and head back to the harbour.
